

GandALF 2026 - Social Program

Excursion & Dinner

September 15-17, 2026, Aalborg, Denmark

Going to Lindholm Høje + Viking Museum

- ▶ You can transport to the museum in any means you like (bike, car, on foot, taxi, bus, train, hitchhike), however, ...
- ▶ If you go on your own make sure to be at the entrance of the museum at 14:50.
- ▶ **Organizers convoy departs from Comwell Hvide Hus entrance at 2pm.** Will transport to the location with bus line 12.
- ▶ To take the bus please have either a ticket somehow or one of the apps (Rejsekort, Rejsebillet, rejseplanen, basiskort).

Visit to Lindholm Høje + Viking Museum

- ▶ Depending on weather and timing, we might visit the hill first, or the museum first. Actual decision pending accurate weather forecast (but you are guaranteed that if it rains we go to the museum immediately, if not, maybe not).
- ▶ There are sheep roaming in the hill, please do not feed, but feel free to pet (but they might pet you back).
- ▶ Take good looks of your surrounding area - the fjord and hills have not changed since the vikings were around.
- ▶ We spend about 1.5 - 2 hours total at the hill and museum.

Hnefatafl

- ▶ Check out our local version of Viking chess (found near yours truly Aalborg).
<https://gandalfsymposium.github.io/2026/hnefatafl>
- ▶ Find the game in the museum, if you can achieve consensus on who can play the best, ask an organizer (probably me) for your prize (but you must prove consensus)!

After the museum

- ▶ Dinner venue opens at 18:00. Food served at 18:30.
- ▶ If you leave the museum early $\wedge/\vee$ want to kill time:
- ▶ Some ideas:
 - ▶ If rain: check out the Gråbrødrekloster :) * Recommend larger groups as the price for the elevator is the same from min to max load.
 - ▶ If $\neg$ rain $\wedge$ want to move: Do a short or partially longer street art walk in Aalborg
<https://udforsk.opdagdanmark.dk/ruter/aalborg-street-art-walk>
 - ▶ Have a beer (possibly with me!) at Hjort pub. :)

Bonus Material

Here is a list of places I like in central Aalborg.

- ▶ View from Salling rooftop (take elevator from second floor to top. Bonus with hot drink from Normal cafe Rolig across the street - but I am supposed to tell you you are not supposed to bring things from outside.)
- ▶ Aalborg waterfront (ok is obvious but nice).
- ▶ Walk Bispensgade and Algade (all the way to the end - more street art there!).
- ▶ The art gallery at Niels Ebbesens Gade
- ▶ The ceramics alley
- ▶ Karolinelund and Østre Anlæg parks, Nordkraft when it has events going on, student house, musikens hus (but you will see this), basement beer bar, Fumo Pizzeria, Sanwe ramen, Gedulgt cocktails, Fast eddies pool bar (their cocktails are 🔥), game streetmeka social bouldering, catch sushi bar, (fancy place): Meat.
